Dear sir:-

You have probably learned from the newspapers that a charter for a trolley road, to be laid upon the Lancaster turnpike between 52nd Street and Paoli, was obtained last week through the office of the Secretary of the Commonwealth at Harrisburg.

Should this Company attempt to occupy the Lancaster turnpike, the Lancaster Avenue Improvement Company will, of course, use every legal means to prevent them from taking possession of its road; but, in this connection, I am advised that an attempt has been made, or will be made, to buy up a sufficient amount of the stock of the Lancaster Avenue Improvement Company to create a controlling interest, and I take the liberty of writing you to put you on your guard against any overtures that may be made for the purchase of your stock. I am sure that you will not think it to the interest of the neighborhood that this Trolley corporation should succeed in its plans.

Yours very truly,

To
